HULK PURCHASE AGREEMENT

dated as of July 1, 1977

between

ILLINOIS CENTRAL GULF RAILROAD COMPANY

and

FIRST SECURITY BANK OF UTAH,  
NATIONAL ASSOCIATION, not in its  
individual capacity, but solely  
as Owner Trustee under a Trust  
Agreement dated as of July 1, 1977,

with

NBS Financial Services  
and

The Budd Leasing Corp.

---

HULK PURCHASE AGREEMENT dated as of July 1, 1977, between ILLINOIS CENTRAL GULF RAILROAD COMPANY, a Delaware Corporation (the "Seller") and FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION (the "Buyer"), not in its individual capacity, but solely as owner trustee under a Trust Agreement dated as of the date hereof (the "Trust Agreement") with NB5 Financial Services and The Budd Leasing Corp (the "Owners").

The Seller owns the used railroad equipment described in Exhibit A hereto. The Seller desires to sell such of said equipment as shall be specifically identified in the Bills of Sale referred to in Paragraph 1 hereof (collectively, the "Hulks" and individually, a "Hulk"), and the Buyer desires to purchase the Hulks for the Purchase Price set forth in Exhibit A (the "Purchase Price").

The Buyer is simultaneously with the execution hereof entering into a Rehabilitation Agreement dated as of July 1, 1977 (the "Rehabilitation Agreement") with the Seller, in the form of Annex A hereto, pursuant to which the Seller, as an independent contractor, will rehabilitate the Hulks as provided therein, and a Lease Agreement dated July 1, 1977 (the "Lease") with the Seller, in the form of Annex B hereto, pursuant to which the Seller will lease from the Buyer the units of railroad equipment rehabilitated under the Rehabilitation Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter contained the parties hereto hereby agree as follows:

1. The Seller will, prior to delivery of each group of Hulks for rehabilitation pursuant to the Rehabilitation Agreement, deliver to the Buyer a Bill or Bills of Sale transferring title to such group of Hulks and warranting that, at the date of such Bill or Bills of Sale, the Seller had legal title to such Hulks and good and lawful right to sell the same and that title to such Hulks transferred to the Buyer by such Bill or Bills of Sale was free of all claims, liens, security interests, security titles and other encumbrances of any nature whatsoever. On or after the date of such Bill or Bills of Sale, the Seller will deliver the

Hulks in such group to an authorized representative of the Buyer at such point or points within the United States of America as shall be specified by the Seller. The sale and delivery of the Hulks pursuant to this Agreement shall commence as soon as practicable and shall be completed on or before such date as shall permit the completion of rehabilitation of each Hulk by December 31, 1977.

2. The Buyer at the times hereafter specified will pay to the Seller the Purchase Price of each Hulk in each group subject to all the terms and conditions of this Agreement, including without limitation the receipt by the Buyer of (a) an invoice or invoices of the Seller with respect thereto, (b) the Bill or Bills of Sale with respect thereto specified in and in accordance with the provisions of Paragraph 1 hereof, (c) a Certificate or Certificates of Acceptance signed by the Buyer's authorized representative stating that the Hulks in such group have been delivered to and accepted on behalf of the Buyer, and (d) a written opinion of counsel for the Seller dated the date of such Bill or Bills of Sale, addressed to the Buyer and stating that such Bill or Bills of Sale are valid and effective to transfer the legal title to such Hulks to the Buyer and that the Hulks are free and clear of all claims, liens, security interests, security titles and other encumbrances of any nature whatsoever.

Each such Bill of Sale shall contain the following information with respect to each type of Hulk included in the group of Hulks covered thereby: quantity, description, the Seller's identifying numbers and place of delivery. Subject only to the conditions set forth in this Agreement, the Buyer will pay the Purchase Price of each Hulk delivered and accepted as aforesaid to the Seller either on (i) the Closing Date relating to such Hulk fixed as provided in the Rehabilitation Agreement or (ii) December 31, 1977, whichever is earlier.

Seller waives any possessory lien or any other lien with respect to the Hulks which it may have to secure payment of the Purchase Price.

3. The obligation of the Buyer to pay to the Seller the Purchase Price of the Hulks shall be subject to receipt by the Buyer on or before the Closing Date, as determined pursuant to the Rehabilitation Agreement, with respect thereto, of the documents set forth in Paragraph 2 hereof,

and satisfaction of the conditions set forth in Section 25 of the Lease.

4. The Buyer may assign and/or transfer its rights, but not its obligations, under this Agreement. All of the rights of the Buyer hereunder shall inure to the benefit of the Buyer's assigns.

5. Notwithstanding the delivery of any Bill or Bills of Sale hereunder, the Seller agrees that all responsibility with respect to any Hulk covered by such Bill or Bills of Sale, its use and operation and risk of loss thereof, shall remain with the Seller until such Hulk is delivered to and accepted by the authorized representative of the Buyer, as provided above, and the Seller agrees to indemnify and hold the Buyer harmless from any claim made against the Buyer by reason of the transfer of title to the Hulks prior to such delivery and acceptance or with respect to the validity of such title, free from all claims, liens, security interests, security title or encumbrances of any nature other than those of the Buyer at the time of such delivery and acceptance. Upon such delivery and acceptance, all responsibility and risk of loss with respect to such Hulk shall pass to the Buyer.

6. The Seller hereby represents and warrants to the Buyer, its successors and assigns, that this Agreement was duly authorized by it and lawfully executed and delivered for a valid consideration.

The Seller hereby covenants and agrees with the Buyer that not later than the date of payment for each Hulk, the Seller will discharge in full all obligations, if any, secured by encumbrances with respect thereto. Without limitation as to any other rights or actions which the Buyer may enforce against the Seller due to a breach by the Seller of its obligations set forth in the preceding sentence, in the event any such obligation has not been satisfied prior to the payment for any Hulk by the Buyer, the Seller hereby agrees that the Buyer may, in lieu of making payments for any Hulks then to be made to the Seller hereunder, pay all or any portion of such payments to one or more holders of obligations secured by such encumbrances to the extent necessary to satisfy such obligations in full and to remove such encumbrances.

7. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

8. This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart.

9. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

It is expressly understood and agreed by and between the parties hereto, anything in this Agreement to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Buyer are each and every one of them made and intended not as personal representations, undertakings and agreements by First Security Bank of Utah, National Association, or for the purpose or with the intention of binding the said bank personally but are made and intended for the purpose of binding only the Trust Estates as such term is used in the Trust Agreement, and this Agreement is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the said bank (except for the wilful misconduct or gross negligence of said bank) or on account of any representation, undertaking or agreement of the Buyer or the Owners, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Seller and by all persons claiming by, through or under the Seller; provided, however, that the Seller or any person claiming by, through or under the Seller, making claim hereunder, may look to said Trust Estates for satisfaction of the same.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this Agree-

ment to be signed in their respective corporate names by duly authorized officers and their respective seals to be hereunto affixed and duly attested, all as of the date first above written.

---

REHABILITATION AGREEMENT dated as of July 1, 1977, between ILLINOIS CENTRAL GULF RAILROAD COMPANY (hereinafter called the Contractor) and FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, a national banking association (hereinafter called the Company), not in its individual capacity but solely as owner trustee under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with NB5 Financial Services and The Budd Leasing Corp. (hereinafter called the Owners).

WHEREAS the Company has acquired right, title and interest in certain units of used railroad equipment (hereinafter called the Hulks), generally described in Schedule A hereto, and more specifically to be described in the Bills of Sale relating thereto, from the Contractor pursuant to a Hulk Purchase Agreement dated as of July 1, 1977 (hereinafter called the Hulk Purchase Agreement);

WHEREAS the Company desires to rehabilitate the Hulks from materials acquired and owned by the Company or to be purchased by the Contractor, as an independent contractor acting on behalf of the Company and owned by the Company, and with materials, labor and other services to be paid for by the Company to the Contractor in accordance with the terms and subject to the conditions set forth herein, such Hulks as so rehabilitated and at all stages during the rehabilitation thereof (the rehabilitated equipment being hereinafter called the Equipment) to be the property of the Company;

WHEREAS the Company intends to lease the Equipment to the Contractor as lessee (hereinafter sometimes referred to as the Lessee) pursuant to a Lease Agreement dated as of July 1, 1977, substantially in the form of Annex B to the Hulk Purchase Agreement (hereinafter called the Lease); and

WHEREAS the Company has requested the Contractor to rehabilitate the Hulks into units of the Equipment in accordance with the specifications set forth in Schedule B hereto, title thereto and to all materials heretofore and hereafter used in connection therewith to remain in the Company throughout the period of rehabilitation and thereafter, and the Contractor desires to perform such work for the Company;

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Rehabilitation of the Hulks. Subject to the terms and conditions hereinafter set forth, the Contractor, as an independent contractor, agrees to rehabilitate the Equipment for the Company as its property and agrees to deliver the Equipment as hereinbelow provided, and the Company agrees that it will pay the Contractor the Rehabilitation Cost (as hereinafter defined) of the Equipment, each Hulk of which will be rehabilitated in accordance with the specifications referred to in Schedule B hereto and in accordance with such modifications thereof as may have been agreed upon in writing by the Contractor and the Company (which specifications and modifications, if any, are hereinafter called the Specifications) and will, at or before delivery thereof to the Company or its duly appointed representative pursuant to Article 2 hereof, have the following ownership markings stencilled on each side thereof in a conspicuous place in letters not less than one inch in height:

"OWNED BY A BANK OR TRUST COMPANY, AS TRUSTEE,  
UNDER A TRUST AGREEMENT AND SUBJECT TO A  
LEASE FILED UNDER THE INTERSTATE  
COMMERCE ACT, SECTION 20c"

The Contractor agrees that the design, quality and component parts of the Equipment will conform, on the date of completion of rehabilitation thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to the Equipment; provided, however, that if any such requirements, specifications or standards shall have been promulgated or amended after the respective dates on which the Equipment was ordered, the Rehabilitation Cost (as hereinafter defined) of the Equipment affected thereby may be appropriately adjusted by written agreement of the Contractor and the Company.

The Contractor agrees that in the rehabilitation of the Hulks there shall be used exclusively articles, supplies, materials and parts (hereinafter collectively called materials) acquired and owned by the Company and furnished to the contractor as an independent contractor acting on behalf of the Company.

The Company hereby authorizes the Contractor to act for the Company in the purchase, for the account of the Company, of all materials necessary in the rehabilitation of the Hulks, and the Contractor, as an independent contractor, agrees to enter into appropriate contracts, at the lowest practicable prices, with the sellers of materials necessary for the rehabilitation of the Hulks, the cost of such materials to be part of the Rehabilitation Cost (as hereinafter defined). Complete legal title to such materials, free and clear of any liens, claims or charges of any nature whatsoever, shall be vested in the Company prior to the delivery to the Company for acceptance of any unit of Equipment of which such materials shall be a part. Every contract for the purchase of such materials shall be entered into by the Contractor as independent contractor and shall expressly recite that the purchase is for the Company and that title to the materials upon purchase shall be vested directly and solely in the Company. The Company agrees that all title to and property in the materials purchased for the rehabilitation of the Hulks shall be vested in the Company free and clear of all liens, charges and other encumbrances of any other kind and nature, whether of the Contractor or others, and, except as specifically provided herein, the Contractor hereby specifically waives any right it has or may have to claim any lien or charges for any purpose whatsoever upon the Hulks or upon any materials used in the rehabilitation thereof.

ARTICLE 2. Delivery. The Contractor will deliver the Equipment to the Company, freight charges, if any, prepaid, at such point or points within the United States of America as shall be determined by the mutual agreement of the Contractor and the Company and in accordance with the delivery schedule set forth in Schedule C hereto; provided, however, that no unit of Equipment shall be delivered under this Agreement until the Lease shall have been filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act.

The Contractor represents and warrants that, at the time of delivery, the Equipment will be railroad equipment free and clear of all liens, claims or charges of any nature whatsoever arising from acts of the Contractor and that no amortization or depreciation will have been claimed by any person with respect thereto.

The Contractor's obligation as to time of delivery is subject to delays resulting from causes beyond the Contractor's reasonable control, including, but not limited to, acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, labor shortages, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities or delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 2, any unit of Equipment not delivered and accepted on or before December 31, 1977, shall be excluded from this Agreement and not included in the term "Equipment" as used in this Agreement, and the Company shall be relieved of its obligation to pay for such Equipment. In the event of any such exclusion, the Contractor and the Company shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom and providing for the assignment to the Contractor of all right, title and interest of the Company in and to the materials owned by the Company and furnished to the Contractor (including the Hulks) or purchased by the Contractor on behalf of the Company for utilization in the rehabilitation of the excluded Equipment, and the Company shall take such other steps, including the execution of instruments of transfer, as may reasonably be requested by the Contractor for the purpose of acknowledging and perfecting the interest of the Contractor in any Hulk or partially rehabilitated unit of Equipment so excluded from this Agreement or such materials and the Company shall have no further obligation or liability in respect of such Hulks or partially rehabilitated units of Equipment so excluded or such materials.

The Equipment shall be subject to inspection and approval prior to delivery by an officer of the Lessee designated by the Company as its authorized representative for such purpose, and the Contractor shall grant to any such representative reasonable access to its plant. From time to time upon the completion of the rehabilitation of each unit or a number of units of Equipment, each such unit shall thereupon be presented to an authorized representative of the Company for inspection at the Contractor's plant and, if each such unit conforms to the Specifications and the other requirements, specifications and standards set forth or referred to in Article 1 hereof, such authorized representative shall promptly execute and deliver to the Contractor, in

such number of counterparts or copies as may be reasonably requested, a certificate of acceptance (hereinafter called a Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Company and are marked in accordance with Article 1 hereof; provided, however, that the Contractor shall not thereby be relieved of its warranty and indemnities contained in Articles 5 and 6 hereof.

On acceptance of each of the units of Equipment, pursuant to this Article 2 on behalf of the Company as aforesaid, the Company assumes with respect thereto the responsibility and risk of loss or damage. Prior to such acceptance, the Contractor shall have responsibility for and bear risk of loss of or damage to the units of Equipment.

ARTICLE 3. Cost of Rehabilitation. The cost of rehabilitation per unit of Equipment is set forth in Schedule C hereto. Such cost is subject to such increase or decrease as may be or has been agreed to by the Contractor and the Company. The term "Rehabilitation Cost" as used herein shall mean the cost or costs as so increased or decreased. The term "Cost of the Equipment" for any unit of Equipment shall be deemed to constitute the Rehabilitation Cost and the Hulk Purchase Price (as defined in the Hulk Purchase Agreement) of such unit.

The Equipment shall be delivered and settled for on one or more Closing Dates, on or prior to December 31, 1977, fixed as hereinafter provided (the Equipment being settled for on a Closing Date being hereinafter called a Group); provided, however, that each Group other than the Group for which settlement shall be made on the final Closing Date shall contain at least 10 units of Equipment. Subject to the provisions of Article 4 hereof, the Company hereby promises to pay or cause to be paid, in immediately available funds to the Contractor, at such place in Chicago, Illinois, or New York, New York, as the Contractor may designate, on the Closing Date with respect to a Group, an amount equal to the Rehabilitation Cost of all units of Equipment in such Group as set forth in the invoices therefor; provided, however, that at no time shall the aggregate Rehabilitation Cost theretofore paid to the Contractor plus the Rehabilitation Cost which is required to be paid on such Closing Date exceed \$11,000,000.

The term "Closing Date" with respect to a Group of

Equipment shall mean each date specified by the Contractor for settlement of a Group of Equipment, in a written notice to the Company specifying the Rehabilitation Cost of such Group.

If on any Closing Date the aggregate Rehabilitation Cost of the Equipment for which settlement has theretofore been and is then being made under this Agreement would, but for the provisions of this sentence, exceed \$11,000,000 (hereinafter called the Maximum Rehabilitation Cost) (or such higher amount as the Company may at its option agree to prior to delivery of any unit of Equipment that, but for such agreement, would otherwise be excluded from this Agreement), the Contractor will, upon request of the Company, execute an agreement supplemental hereto excluding from this Agreement such unit or units then proposed to be settled for and specified by the Company as will, after giving effect to such exclusion, reduce such aggregate Rehabilitation Cost to not more than the Maximum Rehabilitation Cost (or such higher amount as aforesaid) and the Company shall take such other steps, including the execution of instruments of transfer, for the purpose of assigning to the Contractor all right, title and interest of the Company in and to the materials owned by the Company and furnished to the Contractor or purchased by the Contractor on behalf of the Company for utilization in the rehabilitation of the excluded Equipment, and the Company shall take such other steps, including the execution of instruments of transfer, as may reasonably be requested by the Contractor for the purpose of acknowledging and perfecting the interest of the Contractor in any unit of Equipment so excluded from this Agreement or such materials and the Company shall have no further obligation or liability in respect of units of Equipment so excluded or such materials.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for payment of public and private debts.

ARTICLE 4. Conditions to Obligations of the Company. The obligation of the Company to pay the Contractor the Rehabilitation Cost for any unit of Equipment is subject to (i) satisfaction of the conditions set forth in Sections 2 and 3 of the Hulk Purchase Agreement and (ii) satisfaction of the conditions set forth in Section 25 of the Lease and (iii) receipt by the Company on or before, but not more than 10 days before, the first delivery date (hereinafter the "First Delivery Date") of any of the Hulks for rehabilitation of the following:

(a) an opinion of counsel for the Contractor, dated such date, to the effect that:

(i) this Agreement has been duly authorized, executed and delivered by the Contractor, and constitutes a legal, valid, binding and enforceable agreement of the Contractor;

(ii) the Contractor has the full corporate power, authority and legal right to enter into and perform its obligations under this Agreement, and the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of the Contractor, does not require any stockholder approval or approval or consent of any trustee or holders of any indebtedness or obligations of the Contractor, or such required approvals and consents have heretofore been duly obtained;

(iii) the Contractor is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware and is duly qualified to do business and in good standing in all other jurisdictions in which the business, properties and activities of the Contractor require such qualification;

(iv) neither the execution and delivery of this Agreement nor the consummation of the transactions herein contemplated or the fulfillment of, or compliance with, the terms and provisions hereof will conflict with, or result in a breach of, any of the terms, conditions or provisions of the certificate of incorporation (as amended) or the by-laws (as amended) of the Contractor or of any bond, debenture, note, mortgage, indenture, agreement or other instrument to which it or its property may be bound, or constitute (with the giving of notice or the passage of time or both) a default thereunder;

(v) neither the execution and delivery by the Contractor of this Agreement nor the consummation of the transactions herein contemplated nor the fulfillment of, or compliance with, the terms and provisions hereof will conflict with, or result in

a breach of, any of the terms, conditions or provisions of any law, or any regulation, order, injunction or decree of any court or governmental instrumentality or arbitrator;

(vi) no mortgage, deed of trust, claim, lien, security interest or other encumbrance of any nature whatsoever which now covers or affects any property or interest therein of the Contractor now attaches or hereafter will attach to any unit of Equipment or in any manner affects or will affect adversely the right, title and interest of the Company therein;

(vii) neither the execution and delivery by the Contractor of this Agreement, nor the consummation of any of the transactions by the Contractor contemplated hereby requires the consent or approval of, the giving of notice to, or the registration with, or the taking of any other action in respect of, the Interstate Commerce Commission or any other Federal, state, foreign or other governmental authority or agency;

(viii) to the knowledge of such counsel, there are no pending or threatened actions or proceedings before any court, arbitrator, administrative agency or governmental body which will materially adversely affect the condition, business or operations of the Contractor or the ability of the Contractor to perform its obligations under this Agreement.

(b) A certificate of an officer of the Contractor, dated as of such date, to the effect that the Contractor is not in default under, and to his knowledge there is no event which with the passage of time would place the Contractor in default under, this Agreement, and to the further effect that the representations and warranties of the Contractor contained in Article 11 of this Agreement are true and correct as of the date of such certificate with the same effect as if made on such date.

The obligation of the Company to pay to the Contractor the amounts required to be paid pursuant to the second paragraph of Article 3 hereof on each Closing Date with respect to the Group of Equipment for which settlement

is then being made is subject to the receipt by the Company on or prior to such Closing Date of the following documents with respect to the units of Equipment being settled for on such Closing Date:

(i) an opinion of counsel for the Contractor, dated such Closing Date, to the effect that at the time of delivery to the Company of such units of Equipment, title to such units was free from all claims, liens, security interests and other encumbrances of the Contractor or of any one claiming through the Contractor;

(ii) a statement from the Contractor to the Company warranting to the Company that, at the time of delivery of such units of Equipment, title to such units was free of all claims, liens, security interests and other encumbrances of the Contractor or of anyone claiming through the Contractor; and covenanting to defend the title to such units against demands of all persons whomsoever based on claims of the Contractor or anyone claiming through the Contractor;

(iii) a Certificate or Certificates of Acceptance with respect to such units of Equipment as contemplated by Article 2 hereof and Section 5 of the Lease; and

(iv) an invoice of the Contractor for such units of Equipment accompanied by or having endorsed thereon a certification by the Company as to its approval thereof.

In addition to the foregoing conditions, the Contractor shall not commence rehabilitation of any unit of Equipment hereunder subsequent to, and the Company shall have no obligation to pay the Rehabilitation Cost of any unit of Equipment the rehabilitation of which has not commenced prior to, receipt of a written notice from the Company notifying the Contractor of (i) the occurrence of any Event of Default, as defined in the Lease, or event which with lapse of time and/or demand, could constitute such Event of Default and (ii) the material falseness of any of the representations and warranties of the Contractor made by it in Article 11 of this Agreement at and as of the time such representations and warranties were so made.

ARTICLE 5. Contractor's Warranty of Materials and Workmanship. The Contractor warrants that the units of Equipment will be rehabilitated in accordance with the Specifications and with the other requirements, specifications and standards set forth or referred to in Article 1 above and warrants that the Equipment will be free from defects in material and workmanship or design under normal use and service for a period of one year from the date of delivery thereof.

The Contractor further agrees that neither the inspection as provided in Article 2 of this Agreement, nor any examination or acceptance of any units of Equipment as provided in said Article 2, shall be deemed a waiver or modification by the Company of any of its rights under this Article or Article 6.

ARTICLE 6. Indemnities. The Contractor agrees to indemnify, protect and hold harmless the Company from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent, trademark and copyright liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement or the ordering, acquisition, ownership, rehabilitation, assembly or delivery of any unit of Equipment or any material utilized in connection therewith or any accident in connection therewith resulting in damage to property or injury or death to any person or any breach of warranty relating thereto. The indemnities arising under this Article shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the expiration or other termination of this Agreement.

ARTICLE 7. Notice. Any notice hereunder to the party designated below shall be deemed to be properly served if delivered or mailed to it at the following specified addresses:

(a) to the Company, at 79 South Main Street, Salt Lake City, Utah 84111, attention of Corporate Trust Division, with a copy to ITEL Capital Services Corporation, One Embarcadero Center, San Francisco, California 94111, attention of Contract Administration; and

(b) to the Contractor, at 233 North Michigan Avenue, Chicago, Illinois 60601, attention of Treasurer, or such other addresses as may have been furnished in writing by such party to the other party to this Agreement.

ARTICLE 8. Assignments by the Contractor. All or any of the rights, benefits or advantages of the Contractor under this Agreement, including the right to receive the Rehabilitation Cost of all units of Equipment, may be assigned by the Contractor and reassigned by any assignee at any time or from time to time; provided, however, that no such assignment shall subject any such assignee to, or relieve the Contractor from, any of the Contractor's warranties, indemnities or other obligations contained in this Agreement or relieve the Contractor or a successor or successors to its manufacturing property and business from any of its obligations to rehabilitate and deliver the Equipment in accordance with the Specifications or to respond to its warranties, indemnities or other obligations whether contained herein or created by law, or relieve the Company of its obligations to the Contractor under this Agreement, which, according to their terms and context, are intended to survive an assignment; provided, however, that except as otherwise provided in this Agreement any security interest in each Group of the Equipment assigned hereunder shall forthwith cease and terminate upon payment to the Contractor or the assignee, as applicable, by the Company of the amounts payable with respect to such Group pursuant to Article 3 hereof and the Contractor and such assignee will execute and deliver all documents and instruments as the Company may reasonably request.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Company, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee (if not otherwise stated in the assignment), and such assignee shall by virtue of such assignment acquire all the Contractor's right, title and interest in and to the rights, benefits and advantages of the Contractor thereby assigned subject only to such reservation as may be contained in such assignment. From and after the receipt by the Company of the notification of any such assignment, all payments thereafter to be made by the Company hereunder shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

ARTICLE 9. Assignment by the Company. All or any portion of the rights, benefits or advantages of the Company under this Agreement, including, without limitation, (a) title to the materials utilized in the rehabilitation of the Equipment, (b) the right to accept delivery of the Equipment and to be named in the instrument of conveyance therefor to be delivered by the Contractor, (c) the right to receive any and all monies due or to become due to the Company in respect of the Equipment and for all claims for damages in respect of such Equipment arising as a result of any default by the Contractor or for indemnification under Article 6 hereof, and (d) all rights of the Company to perform under this Agreement and compel performance of the terms hereof, may be assigned by the Company and reassigned by any assignee at any time or from time to time. Upon any such assignment, either the assignor or the assignee shall give written notice to the Contractor, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee (if not otherwise stated in the assignment), and such assignee shall by virtue of such assignment acquire all the Company's right, title and interest in and to the rights, benefits and advantages of the Company thereby assigned subject only to such reservation as may be contained in such assignment.

ARTICLE 10. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Company shall fail to pay in full, when due and payable hereunder, any sum payable by the Company as herein provided for the Rehabilitation Cost of the Equipment and such failure shall continue for more than 10 days following the final date for such payment; or

(b) the Company shall, for more than 30 days after the Contractor shall have demanded in writing performance thereof, fail or refuse to comply with any covenant, agreement, term or provision of this Agreement on its part to be kept or performed or to make provision satisfactory to the Contractor for such compliance; or

(c) the Company shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the

right to possession of any unit of the Equipment;

then at any time after the occurrence of such an event of default under this Agreement the Contractor shall have the rights and remedies of a secured party provided in Article 9 of the Uniform Commercial Code as adopted by the State of Illinois, and, in addition, those provided in this Agreement.

In case the Contractor shall rightfully demand possession of the Equipment in pursuance of this Agreement upon an event of default and shall reasonably designate a point or points for the delivery of the Equipment to the Contractor, the Company shall forthwith and in the usual manner cause the Equipment to be moved to such point or points as shall be designated by the Contractor and shall there deliver the Equipment or cause it to be delivered to the Contractor, and, at the option of the Contractor, the Contractor may keep the Equipment on any lines or premises designated by the Contractor until the Contractor shall have leased, sold or otherwise disposed of the same. Additionally, the Company shall take such steps, upon the request of the Contractor, to confirm in the Contractor all right, title and interest of the Company in and to the materials owned by the Company and furnished to the Contractor but not yet paid for or purchased by the Contractor on behalf of the Company for utilization in the rehabilitation of the Hulks.

ARTICLE 11. Contractor's Representations and Warranties. The Contractor represents and warrants as follows:

(a) The Contractor is a corporation duly incorporated and validly existing and in good standing under the laws of the State of Delaware, is duly qualified to do business and is in good standing in such other jurisdictions in which the business and activities of the Contractor require such qualification.

(b) The Contractor has full power, authority and legal right to carry on its business as now conducted, and is duly authorized and empowered to execute and deliver this Agreement and to fulfill and comply with the terms, conditions and provisions hereof; this Agreement has been duly authorized, executed and delivered and, assuming due authorization, execution and delivery thereof by the Company, constitutes a valid, legal and binding agreement, enforceable in accordance with its terms.

(c) Neither the execution and delivery of this Agreement nor the consummation of the transactions herein contemplated or the fulfillment of, or compliance with, the terms and provisions hereof will conflict with, or result in a breach of, any of the terms, conditions or provisions of the certificate of incorporation (as amended) or the By-laws (as amended) of the Contractor or of any bond, debenture, note, mortgage, indenture, agreement or other instrument to which the Contractor is now a party or by which it or its property may be bound, or constitute (with the giving of notice or the passage of time or both) a default thereunder, or result in the creation or imposition of any lien, charge, security interest or other encumbrance of any nature whatsoever upon any property of the Contractor or upon the Hulks or the units of Equipment pursuant to the terms of any such agreement or instrument.

(d) Neither the execution and delivery by the Contractor of this Agreement nor the consummation of the transactions herein contemplated nor the fulfillment of, or compliance with, the terms and provisions hereof will conflict with, or result in a breach of, any of the terms, conditions or provisions of any law, or any regulation, order, injunction or decree of any court of governmental instrumentality or arbitration.

(e) No authorization or approval is required from any governmental or public body or authority in connection with the execution and delivery by the Contractor of this Agreement, or the fulfillment of or compliance with the terms, conditions and provisions hereof.

(f) The Contractor has not directly or indirectly offered or sold any interest in this Agreement or any securities to, solicited offers to buy any interest in this Agreement or any securities from, or otherwise approached or negotiated in respect of the purchase or sale or other disposition of any interest in this Agreement or securities with, any person so as to bring this transaction within the provisions of Section 5 of the Securities Act of 1933, as amended. The Contractor will not offer any interest in this Agreement or any securities to, or solicit any offer to buy any thereof from any other person or approach or negotiate with any other person in respect thereof, so as to bring this transaction within the provisions of Section 5 of said Securities Act.

ARTICLE 12. Article Headings. All article headings are inserted for convenience only and shall not affect the construction or interpretation of this Agreement.

ARTICLE 13. Effect and Modification of Agreement. This Agreement and the Schedules attached hereto, exclusively and completely state the rights and agreements of the Contractor and the Company with respect to the rehabilitation of the Hulks and supersede all purchase agreements, purchase orders and other agreements, oral or written, with respect to the rehabilitation of the Hulks. No variation of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and duly executed on behalf of the Company and the Contractor.

ARTICLE 14. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of Illinois.

ARTICLE 15. Successors and Assigns. As used herein the terms Contractor and Company shall be deemed to include the successors and assigns of the Contractor and the Company, as the case may be.

ARTICLE 16. Execution. This Agreement may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated for convenience as of the date specified in the introductory paragraph of this Agreement, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

ARTICLE 17. Immunities. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

It is expressly understood and agreed by and between the parties hereto, anything in this Agreement to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Company are each and every one of them made and intended not as personal representations, undertakings and agreements by First Security Bank of Utah, National Association, or for the purpose or with the intention of binding the said bank personally but are made and intended for the purpose of binding only the Trust Estates as such term is used in the Trust Agreement, and this Agreement is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the said bank (except for the willful misconduct or gross negligence of said bank) or on account of any representation, undertaking or agreement of the Company or the Owners, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Contractor and by all persons claiming by, through or under the Contractor; provided, however, that the Contractor or any person claiming by, through or under the Contractor, making claim hereunder, may look to said Trust Estates for satisfaction of the same.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused these presents to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be hereunto affixed and duly attested, all as of the day, month and year first above written.

Lessee agrees to pay to Lessor, as rental for each unit subject to this Lease, one interim rental payment payable on January 15, 1978, and 24 consecutive payments payable on each January 15 and July 15 in each year, commencing July 15, 1978. The interim rental payment payable on January 15, 1978, shall be in an amount equal to .032610% of Lessor's Cost of Cars subject to this Lease, for each day elapsed from the Closing Date for such unit to and including the date of such payment. #### 5. PAYMENTS FOR EQUIPMENT

Lessor shall from time to time on or before December 31, 1977 (but not more than once in any week), make such payments as Lessee may request under a Certificate of Acceptance in the form of Exhibit B hereto (a "Certificate of Acceptance") for the purchase of the used cars under the Hulk Purchase Agreement and for the rehabilitation of the

cars under the Rehabilitation Agreement, subject to the conditions respectively set forth in the Hulk Purchase Agreement and the Rehabilitation Agreement. Each such Certificate of Acceptance (except the last) shall cover not less than ten Cars.

#### 6. ACCEPTANCE OF EQUIPMENT

Acceptance of a unit of Equipment by Lessee under a Certificate of Acceptance shall constitute Lessee's acknowledgement that a unit of Equipment is in good order and condition; is of the manufacture, design and capacity selected by Lessee and specifications acceptable to Lessee; and is suitable for Lessee's purposes. If Lessee has not accepted all of the Cars by December 31, 1977, then this Lease Agreement shall cover only those units of Equipment which have theretofore been so accepted.

#### 7. DISCLAIMER OF LESSOR'S WARRANTIES

Lessee agrees and acknowledges that all units of Equipment have been or will be ordered and rehabilitated by the Contractor in accordance with Lessee's specifications and that LESSOR HEREBY DISCLAIMS ANY OTHER REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE DESIGN OR CONDITION OF THE EQUIPMENT, MERCHANTABILITY, OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OF WORKMANSHIP OF THE EQUIPMENT OR CONFORMITY OF THE EQUIPMENT TO THE PROVISIONS AND SPECIFICATIONS OF ANY PURCHASE ORDER OR ORDERS RELATING THERETO, NOR SHALL LESSOR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING STRICT LIABILITY IN TORT). Lessee represents and warrants that:

(a) Lessee is a corporation duly organized and existing in good standing under the laws of the State of Delaware.

(b) Lessee is duly authorized to execute and deliver the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement, and is and will continue to be duly authorized to lease Equipment hereunder and to perform its obligations hereunder and thereunder.

(c) The execution and delivery of the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement by Lessee, and the performance by Lessee of its obligations hereunder and thereunder, do not and will not conflict with any provision of law or of the charter or by-laws of Lessee or of any indenture, mortgage, deed of trust or agreement or instrument binding upon Lessee or to which Lessee is a party.

(d) The execution, delivery and performance of the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement by Lessee and the consummation by Lessee of the transactions contemplated hereby and thereby do not require the consent, approval or authorization of, or notice to, any Federal or state governmental authority or public regulatory body. Additionally, this Lease Agreement will be recorded with the Interstate Commerce Commission ("ICC") in accordance with Section 20c of the Interstate Commerce Act.

(e) Lessee's financial statement as at December 31, 1976, a copy of which has been furnished to Lessor, has been prepared in conformity with the Uniform System of Accounts for Railroad Companies prescribed by the ICC applied on a basis consistent with that of the preceding fiscal year and presents fairly the financial position of Lessee as at the date thereof, and the results of its operations for the period then ended, and since such date there has been no material adverse change in its financial position.

(f) The Hulk Purchase Agreement, the Bill of Sale and this Lease Agreement are the legal, valid and binding obligations of Lessee enforceable in accordance with their respective terms.

(g) There are no pending or threatened actions or proceedings before any court or administrative agency

which will to a material extent adversely affect the financial condition or continued operation of Lessee and its subsidiaries on a consolidated basis (except as previously disclosed in writing by Lessee to Lessor).

(h) The fair market value of the reusable component parts included in each used car to be purchased by Lessor under the Hulk Purchase Agreement and the Bills of Sale is not in excess of the Cars Acquisition Cost for such Car and the fair market value of each Car after the rehabilitation thereof shall be at least equal to the total of the Cars Acquisition Cost plus the Rehabilitation Cost for such Car.

(i) Each Car will constitute "new Section 38 property" within the meaning of Section 48(b) of the Internal Revenue Code of 1954, as amended, to the extent of the Rehabilitation Cost therefor.

(j) Each Car, on the date of delivery thereof, will have an estimated useful life beyond the expiration of the original term of lease under this Lease Agreement for such unit of Equipment equal to at least 25% of such original term, and an estimated fair market value at the end of such lease term of at least 20% of the total of Cars Acquisition Cost plus the Rehabilitation Cost for such Car, without including in such fair market value any increase or decrease for inflation or deflation during the term of the lease for such unit of Equipment.

(k) The Equipment will not be used in connection with the performance of any prime government contract, or subcontract or purchase order thereunder, with respect to which the provisions of the Renegotiation Act of 1951, as amended, are applicable.

## 9. OWNERSHIP, LOCATION, USE OF AND LIENS ON EQUIPMENT

(a) The Equipment shall be the exclusive property of Lessor, and Lessee shall have no rights therein except the right to use it so long as Lessee is not in default hereunder. It is the intention of the parties hereto that the Equipment shall be and remain personal property and Lessee shall not permit the Equipment to become or remain a fixture to any real estate or an accession to any personalty not leased hereunder.

(b) Lessee agrees that the Equipment will be used solely in the conduct of its business, with due care to prevent injury thereto or to any person or property and in conformity with all applicable laws, ordinances, rules, regulations and other requirements of any insurer or governmental body (including, without limitation, any requirements regarding licensing or registration, or evidencing title to the Equipment, all of which shall be done in such manner as shall have previously been approved in writing by Lessor). Lessor, or any duly authorized representative thereof, may at its own risk and upon reasonable notice to the Lessee and during reasonable business hours from time to time inspect the Equipment and Lessee's records with respect thereto wherever the same may be located.

(c) Lessee agrees to comply in all respects with all laws of the jurisdictions in which the units may be operated, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Department of Transportation and the ICC and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the units. In the event that such laws or rules require the alteration of the units or in case any equipment or appliance on any such unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such unit in order to comply with such laws, regulations, requirements and rules, Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and Lessee agrees at its own expense to use, maintain and operate such unit in full compliance with such laws, regulations, requirements and rules so long as the units are subject to this Lease Agreement; provided, however, that Lessee may, in good faith, contest the validity or application of any such law, regulation, requirement or rule in any reasonable manner which does not adversely affect the property or rights of the Lessor hereunder; and further provided, however, that subject to the provisions of Section 15 hereof any additions to the units which can be removed without material damage to the units shall be so removed and shall become the property of Lessee on the termination of this Lease Agreement.

(d) Lessee shall not permit any lien, charge, encumbrance, security interest or other similar interest to arise or remain on any Equipment other than (i) liens placed by Lessor or liens of persons claiming against Lessor but not

Lessee, which arise out of obligations which Lessee is not required by this Lease Agreement to pay or discharge, (ii) liens of current taxes not delinquent, (iii) inchoate materialmen's or mechanics' liens arising in the ordinary course of business and not delinquent, and (iv) any liens attaching to the leasehold interest of the Lessee under this Lease Agreement by reason of any existing or future mortgage to which the Lessee is a party covering substantially all of Lessee's railroad property.

(e) Lessee shall place and maintain on each side of each Car a notice (in letters not less than one inch in height) conspicuously disclosing Lessor's ownership thereof as follows:

"OWNED BY A BANK OR TRUST COMPANY, AS TRUSTEE, UNDER  
A TRUST AGREEMENT AND SUBJECT TO A LEASE FILED UNDER  
THE INTERSTATE COMMERCE ACT, SECTION 20c"

or other appropriate words designated by Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of Lessor to such unit and the rights of Lessor under this Lease Agreement. Lessee will not place any such unit in operation or exercise any control or dominion over the same until such names and words shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. Lessee shall maintain and display in its usual manner on each unit of Equipment the serial and other identifying numbers, if any, set forth on the applicable Certificate of Acceptance. Lessee will not change the identifying number of any Car except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with Lessor by Lessee and filed, recorded or deposited by Lessee in all public offices where this Lease Agreement shall have been filed, recorded or deposited. Except as above provided, Lessee, so long as this Lease Agreement shall remain in effect, will not allow the name of any person, association or corporation to be placed on the units as a designation that might be interpreted as a claim of ownership; provided, however, that Lessee may cause the units to be lettered with the names or initials or other insignia customarily used by Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their right to use the units as permitted under this Lease Agreement.

## 10. MAINTENANCE OF EQUIPMENT

Lessee shall at all times keep the Equipment in good repair and efficient condition and working order, reasonable wear and tear excepted. Lessee shall supply all parts, service, and other items required in the operation and maintenance of the Equipment. Lessee shall not, without the written consent of Lessor, make any additions to the Equipment. All parts, replacements, substitutions and additions to or for any Equipment shall immediately become Equipment and the property of Lessor; provided, however, that, subject to the provisions of Section 15 hereof, any additions to the units which can be removed without material damage to the units shall become the property of Lessee on the termination of this Lease Agreement. Lessee assumes all risk of, and Lessee's obligations under this Lease Agreement shall continue unmodified despite, any loss, theft, destruction, damage, condemnation, requisition or taking by eminent domain or other interruption or termination of use of any Equipment regardless of the cause thereof.

## 11. EVENT OF LOSS

(a) Upon the happening of any loss, theft, destruction, damage, condemnation, requisition, taking by eminent domain or other material interruption or termination of use of any unit of Equipment regardless of the cause thereof (herein collectively called an "Event of Loss"), Lessee shall promptly make all repairs necessary to restore or repair such unit of Equipment so that the Equipment thereafter subject to lease hereunder is substantially equivalent to, and of a value not less than, the Equipment subject to lease hereunder prior to such Event of Loss; or, if in the reasonable opinion of the Lessee, such unit of Equipment cannot be so repaired or is permanently unfit for service on the next rent payment date following such Event of Loss, furnish Lessor with an affidavit of an officer of Lessee setting forth the fact of such Event of Loss and pay to Lessor the Stipulated Loss Value (as defined in Exhibit C hereto, determined as of such next subsequent rent payment date) of such unit of Equipment, together with (i) any rent accrued and unpaid on such unit of Equipment to and including such rent payment date and (ii) any other amounts owing by Lessee hereunder, whether as additional rent, indemnification or otherwise. Lessor shall transfer to Lessee title to such unit of Equipment free of any liens or encumbrances created by or through Lessor. Upon such transfer the lease

of such unit of Equipment hereunder shall end.

(b) When Lessee has fulfilled the requirements of paragraph (a) regarding an Event of Loss, Lessor shall (if no event of default, or event which might mature into an event of default, has occurred and is continuing) reimburse Lessee for its costs thus incurred to the extent of any proceeds received by Lessor because of such Event of Loss either under any policies of insurance provided for in Section 12 or as satisfaction of any claim (other than one to which an insurer is or may be subrogated) by Lessor against any person or persons liable in respect of such Event of Loss, after subtracting in each instance all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor and not otherwise reimbursed by Lessee in respect thereto.

## 12. INSURANCE

(a) Lessee will cause to be carried and maintained at all times during the term of this Lease Agreement physical damage and liability insurance covering the Equipment, naming Lessor as an additional insured with respect to liability insurance and as an additional loss payee with respect to physical damage insurance, in such amounts and in such form as is commonly maintained on comparable equipment by companies similarly situated. Lessee currently maintains the insurance coverage described in Exhibit D. Such insurance policy or policies shall provide that all losses thereunder will be adjusted with Lessee or Lessor and will be payable to Lessor and Lessee as their respective interests shall appear.

(b) The policies of insurance required under this Section 12 shall be valid and enforceable policies, wherever any unit of the Equipment may be located, issued by insurers of recognized responsibility. Upon the execution of each Certificate of Acceptance, and thereafter not less than 10 days prior to the expiration dates of any expiring policies theretofore furnished under this Section 12, certificates of insurance and satisfactory evidence of the payment of premiums thereon shall be delivered by Lessee to Lessor. Such policies may be blanket policies covering other equipment not covered by this Lease Agreement, provided that any blanket policy shall in an accompanying certificate of insurance or rider specifically designate the units of

Equipment described in such Certificate of Acceptance as being included therein and covered thereby to the full extent of the amounts herein required and shall name Lessor as an additional insured party thereunder with respect to such units of Equipment. All such policies shall contain an agreement by the insurers that such policies shall not be canceled without at least 30-days' prior written notice to Lessor; provided, however, that such agreement for such 30-days' notice is obtainable through the reasonable efforts of Lessee; provided further, however, that if such agreement for such notice is not so obtainable, such policies shall contain an agreement by the insurers that such policies shall not be canceled without at least 10-days' prior written notice to Lessor. All such policies shall contain an agreement by the insurers that the insurer will give notice to Lessor in the event of nonpayment of premium by Lessee when due.

### 13. TAXES

Lessee agrees to pay and discharge (and does hereby agree to indemnify and hold Lessor harmless from and against) all sales, use, personal property, leasing, leasing use, stamp or other taxes, levies, imposts, duties, charges or withholdings of any nature (together with any penalties, fines or interest thereon) imposed against Lessor, Lessee or the Equipment by any Federal, state or local government or taxing authority upon or with respect to the Equipment or upon the purchase, rehabilitation, ownership, delivery, lease, possession, use, operation, return, sale or other disposition thereof hereunder or in connection herewith, or upon the rentals, receipts, or earnings arising therefrom, or upon or with respect to this Lease Agreement (excluding, however, taxes on, or measured by, the net income of Lessor imposed by the United States or the jurisdiction in which the principal office of Lessor is located) unless, and to the extent only that, any such tax, levy, impost, duty, charge or withholding is being contested by Lessee in good faith and by appropriate proceedings. Lessee agrees to file, on behalf of Lessor, all required tax returns and reports concerning the Equipment with all appropriate governmental agencies and to furnish Lessor upon reasonable request a copy of each such return or report, including evidence of payment, within 30 days after the due date of such filing. To the extent that any taxes hereinabove referred to in this Section 13 are included in Lessor's Cost of Cars for any unit, Lessee shall not be obligated under this Section 13 for indemnification with respect to such taxes.

#### 14. INDEMNIFICATION AND EXPENSES

(a) Lessee agrees to and does hereby indemnify and hold Lessor and its agents, employees, stockholders, officers and directors, harmless from and against any and all expense, liability or loss whatsoever, including (without limitation) reasonable legal fees and expenses, relating to or in any way arising out of the Hulk Purchase Agreement, the Rehabilitation Agreement, the Bills of Sale or this Lease Agreement, or the purchase, ownership, delivery, lease, possession, rental, use, operation, return, sale or disposition of the Equipment hereunder or in connection herewith (including, without limitation, expense, liability or loss relating to or in any way arising out of injury to persons or property, patent or invention rights or strict or absolute liability in tort). Lessor shall give Lessee and Lessee shall give Lessor notice of any event or condition which requires indemnification by Lessee hereunder, or any allegation of such event or condition, promptly upon obtaining knowledge (in the case of Lessor, actual knowledge by its trust office) thereof, and to the extent that Lessee makes or provides to the satisfaction of Lessor for payment under the indemnity provisions hereof, Lessee shall be subrogated to Lessor's rights with respect to such event or condition and shall have the right to determine the settlement of claims thereon, it being agreed that except to the foregoing extent, Lessor shall have the right to determine such settlement. Lessee shall pay all amounts due hereunder promptly on notice thereof from Lessor.

(b) If as to any Car, Lessor shall not be entitled under any circumstances (including any Change in Tax Law, as hereinafter defined) other than as set forth in paragraph (d) below to any portion or all of the maximum 10% investment credit presently allowable under Section 38(a) of the Internal Revenue Code of 1954, as amended, for property with a useful life of more than seven years on not less than the Rehabilitation Cost for such unit of Equipment, or if at any time Lessor shall lose, have recaptured or be deemed not to be entitled to any portion or all of said maximum investment credit on Rehabilitation Cost for each such unit of Equipment under any circumstances (including any Change in Tax Law) other than as set forth in such paragraph (d), then, Lessee shall pay Lessor, upon demand, the sum of (1) the amount of said maximum investment credit which Lessor shall have so lost, had recaptured or failed to receive; (2) the amount of any interest (net of any actual decrease in Federal income

tax caused by any allowable deduction of such interest from taxable income) or penalties, including any additions to tax because of underpayment of estimated tax which may be assessed against Lessor in connection therewith; and (3) the amount of any taxes required to be paid by Lessor in respect of the receipt of amounts referred to in clauses (1) and (2) above and the receipt of amounts pursuant to this clause (3). If, at any subsequent time, Lessor shall be allowed and receive a refund with respect to any portion or all of said maximum investment credit which it lost, had recaptured or failed to receive at any time previous and for which payment had been made to Lessor by Lessee pursuant to this paragraph (b), then, promptly after receipt of said refund, Lessor shall pay Lessee the sum of (i) all amounts with respect to such allowance paid to Lessor by the Federal government (including refunds of investment credit, interest, and penalties and any additional interest paid to Lessor by the Federal government on such refunds) reduced by all taxes required to be paid by Lessor in respect of the receipt of such amounts from the Federal government, and (ii) the amount of any taxes saved by Lessor in respect of its payment to Lessee of amounts referred to in clause (i) above and its payment to Lessee of amounts pursuant to this clause (ii). Lessor agrees to use its best efforts to take the maximum investment credit to which it shall reasonably deem itself entitled with respect to the Cars on its Federal income tax return for the earliest possible year for which it can be taken.

(c) If Lessor in computing its Federal taxable income or its taxable income for purpose of computing its liability to any state or local taxing authority in which the principal office of Lessor is located, for any part of the lease term of any unit of Equipment shall under any circumstances (including any Change in Tax Law) other than as set forth in paragraph (d) below lose the benefit of or the right to claim or there shall be disallowed or recaptured all or any portion of depreciation deductions for Federal, state or local income tax purposes for such unit of Equipment based on depreciation of Lessor's Cost of Cars for such unit over a depreciable life of 12 years to a net salvage value of 10% using, with respect to (i) Rehabilitation Cost, the double declining balance method of depreciation provided in Section 167(b)(2) of the Code and then changing to the sum-of-the--years digits method of depreciation provided in Section 167(b)(3) of the Code, all without the consent of the Commissioner, with the annual allowance determined without reduction for salvage and with the first year's depreciation

deduction being maximized by the election of the "half year convention" pursuant to Treasury Regulation Section 1.167(a)-11(c)(2) (as in effect on the date of execution of this Lease Agreement), and (ii) Cars Acquisition Cost, the 150% declining balance method of depreciation and then changing to the straight-line method of depreciation provided in Section 167(b)(1) of the Code, with the annual allowance determined without reduction for salvage and with the first year's depreciation deduction being maximized by the election of the "half-year convention" pursuant to Treasury Regulation Section 1.167(a)-11(c)(2) (as in effect on the date of execution of this Lease Agreement), then Lessee shall pay Lessor on each rent payment date during the remaining lease term of such unit, as additional rent hereunder, an amount which, after deduction of all taxes required to be paid by Lessor in respect of the receipt thereof, shall be sufficient to yield to Lessor the same after-tax cash flow as of each rent payment date as would have been realized by Lessor in respect of this Lease Agreement if such loss, disallowance, or recapture of depreciation deductions or the right to claim the same had not occurred, which amount shall, if subsequent circumstances require, be thereafter adjusted (or further appropriate adjustments shall be made in respect thereof) when and to the extent necessary so that Lessor's after-tax cash flow as of each rent payment date shall be as aforesaid. In addition, Lessee shall also pay Lessor on demand, as additional rent hereunder, an amount which, after deduction of all taxes required to be paid by Lessor in respect of the receipt thereof, shall be equal to the amount of any interest (net of any actual decrease in Federal, state or local income tax caused by any allowable deduction of such interest from taxable income) or penalties, including any additions to tax because of underpayment of estimated tax, which may be assessed against Lessor in connection with such loss, disallowance or recapture of depreciation deductions or the right to claim the same.

(d) Lessee shall not be required to pay Lessor the amounts provided for in paragraphs (b) and (c) above if the loss or disallowance of investment credit or depreciation deductions, as the case may be, or the right to claim the same, shall result from the occurrence of any of the following events:

(i) Lessor shall fail to claim such investment credit or depreciation deductions in its income tax returns for the appropriate years or shall fail to

follow the proper procedures in claiming such investment credit or depreciation deductions and such failure to claim or follow such procedures, as the case may be, shall preclude Lessor from claiming such investment credit or depreciation deductions;

(ii) Lessor shall not have sufficient income to benefit from such investment credit or depreciation deductions;

(iii) Lessor shall voluntarily transfer legal title to the Equipment (other than a transfer pursuant to Section 11(a) hereof) or Lessor shall dispose of or reduce its interest in such Equipment, if such transfer, disposal or reduction (A) shall be the direct cause of such loss, (B) shall occur at any time when no event of default has occurred and is continuing and (C) shall not be pursuant to the written consent of Lessee;

(iv) Lessor shall fail to take timely action in contesting a claim made by the Internal Revenue Service or any state or local taxing authority with respect to the disallowance of the investment credit or depreciation deductions pursuant to paragraph (e) below and the failure to take such action in a timely manner shall preclude all rights to contest such claim, unless Lessee shall agree to such failure; or

(v) Lessee shall have paid Lessor the Stipulated Loss Value of such unit of Equipment pursuant to Section 11(a) hereof.

(e) In the event a claim shall be made by the Internal Revenue Service or any state or local taxing authority which, if successful, would result in a loss of such investment credit or depreciation deductions under circumstances which would require Lessee to indemnify Lessor for such loss, Lessor hereby agrees to notify Lessee promptly of such claim, to not make payment of the tax claimed for at least 30 days after giving such notice, unless such payment or contest thereof is required by law or regulation to be made prior to the expiration of such 30-day period (in which case Lessor shall notify Lessee of such shorter period) to give to Lessee any relevant information requested by it relating to such claim which may be particularly within the knowledge of Lessor and, if Lessee shall request within 30 days after the giving of such notice that such claim be

contested, to take such action in connection with contesting such claim, including appropriate appeals from lower court decisions, as Lessee shall reasonably request in writing from time to time, but only if Lessee shall, contemporaneously with such initial request, have (i) made provision for Lessor's indemnification in a manner satisfactory to Lessor for any liability or loss which Lessor may from time to time incur as the result of contesting such claim and reimbursement for all costs and expenses, including legal fees and disbursements, which Lessor may incur in connection with the contesting of such claim and (ii) furnished Lessor with an opinion of tax counsel selected by Lessee and reasonably satisfactory to Lessor to the effect that a meritorious defense exists to such claim; provided, however, that at any time after having received such request from Lessee, Lessor at its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Internal Revenue Service or any state or local taxing authority, as the case may be, in respect of such claim and may, at its sole option, either pay the tax claimed and sue for a refund in the appropriate United States District Court, the United States Court of Claims, or appropriate state court, as the case may be, as Lessor shall elect, or contest such claim in the United States Tax Court, or appropriate state court, as the case may be, considering, however, in good faith such request as Lessee shall make concerning the most appropriate forum in which to proceed.

(f) References in Section 13 and in paragraphs (b) through (e) of this Section 14 to Lessor shall be deemed to mean any affiliated group of which Lessor is a part which files a consolidated return for Federal income tax purposes, provided that only Lessor shall be obligated with respect to the covenants and duties therein expressed to be imposed on Lessor.

(g) All of the indemnities and agreements of Lessee contained in Section 13 and in this Section 14 shall survive and continue in full force and effect notwithstanding termination of this Lease Agreement or of the lease of any or all units or Equipment hereunder.

(h) Any payments required to be made by Lessee pursuant to this Section 14 as a result of a Change in Tax Law shall be reduced by all tax savings which have theretofore been, or in the current taxable year will be, realized by Lessor on account of any Change in Tax Law resulting in Fed-

eral income tax consequences to Lessor more favorable than the tax benefits presently existing on the date hereof.

(i) Any amount payable in accordance with this Section 14 shall be payable on Lessee's receipt of Lessor's invoice therefor. Each such invoice shall be accompanied by a detailed statement reflecting the calculation of amounts due hereunder from the head of the tax department of either of the Owners, as appropriate, that he has examined Lessor's determination of the amount due and that, in his opinion, such amount due has been properly calculated pursuant to this Section 14.

#### 15. RETURN OF EQUIPMENT

Upon final termination of the lease term hereunder of any unit of Equipment (other than a termination under Section 11(a)), Lessee shall forthwith deliver possession of such unit to Lessor, which unit shall be in the same condition as when received, ordinary wear and tear excepted, and shall meet the standards then in effect under the applicable rules of any governmental agency or other organization with jurisdiction over such unit and the applicable standards then in effect for such unit under interchange rules of the Association of American Railroads, subject to Lessee's good faith contest, pursuant to Section 9(c) hereof, of the validity or application of any standard, law, regulation, requirement or rule, which contest is made in a reasonable manner and does not adversely affect the property or rights of Lessor. For the purpose of delivering possession of any unit or units to Lessor as above required, Lessee shall at its own cost, expense and risk:

(1) forthwith place such units upon such storage tracks of Lessee as Lessor reasonably may designate,

(2) permit Lessor to store such units on such tracks at the risk of Lessee until such units have been sold, leased or otherwise disposed of by Lessor, provided that Lessor agrees to pay Lessee's reasonable storage charges for any storage after 90 days, and

(3) transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by Lessor.

The removal, assembling, delivery, storage (except as above provided) and transporting of the units as hereinbefore provided shall be at the expense and risk of Lessee and are of the essence of this Lease Agreement, and upon application to any court of equity having jurisdiction in the premises Lessor shall be entitled to a decree against Lessee requiring specific performance of the covenants of Lessee so to remove, assemble, deliver, store and transport the units. During any storage period, Lessee shall maintain insurance on the units of Equipment in accordance with Section 12 hereof and shall permit Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such unit, upon reasonable notice and at Lessor's risk to inspect the same; provided, however, that Lessee shall not be liable, except in the case of negligence of Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of Lessee under the foregoing provisions of this Section 15, Lessee hereby irrevocably appoints Lessor as the agent and attorney-in-fact of Lessee, with full power and authority, at any time while Lessee is obligated to deliver possession of any unit to Lessor, to demand and take possession of such unit in the name and on behalf of Lessee from whomsoever shall be in possession of such unit at the time.

#### 16. FINANCIAL STATEMENTS

Lessee shall furnish or cause to be furnished to Lessor, (i) within 120 days after each fiscal year of Lessee, a copy of the annual audit report of Lessee and any consolidated subsidiaries, prepared on a consolidated basis and in conformity with generally accepted accounting principles (subject to conforming railroad qualifications) applied on a basis consistent with that of the preceding year, and signed by nationally recognized independent certified public accountants, (ii) within 120 days after each fiscal year of Lessee, a copy of the ICC Rail Form R1 of Lessee for such year, prepared on an unconsolidated basis and in conformity with the Uniform System of Accounts for Railroad Companies prescribed by the ICC applied on a basis consistent with that of the preceding fiscal year, and signed by a proper accounting officer of the Lessee, (iii) within 60 days after each

quarter (except the last quarter) of each fiscal year of Lessee, a copy of its unaudited unconsolidated financial statement, prepared in conformity with the Uniform System of Accounts for Railroad Companies prescribed by the ICC and consisting of at least a balance sheet as at the close of such quarter and a profit and loss statement and analysis of surplus for such quarter and for the period from the beginning of such fiscal year to the close of such quarter, and signed by a proper accounting officer of Lessee, (iv) with the annual audit report each year, a certificate of a responsible officer of Lessee to the effect that, except as otherwise specified therein, (x) all units of Equipment are in existence and in good and efficient condition and have been marked as required by paragraph (e) of Section 9 hereof, and (y) no event of default, or event which might mature into an event of default, has occurred and is continuing under this Lease Agreement, and (v) from time to time, such other information as Lessor may reasonably request.

#### 17. EVENTS OF DEFAULT

(a) The following shall be events of default hereunder:

(i) default, and continuance thereof for 15 days, in the payment of any rent or other amount hereunder;

(ii) default in the performance of any of Lessee's agreements herein set forth (and not constituting an event of default under the preceding clause of this paragraph (a)) and continuance of such default for 30 days after notice thereof from Lessor to Lessee;

(iii) any representation or warranty made by Lessee in this Lease Agreement is untrue in any material respect, or any statement, report, schedule, notice or other writing furnished by Lessee to Lessor in connection herewith is untrue in any material respect on the date as of which the facts set forth are stated or certified;

(iv) Lessee or any material subsidiary becomes insolvent or admits in writing its inability to pay its debts as they mature, or applies for, consents to or acquiesces in the appointment of a trustee or a receiver for Lessee or any such subsidiary or any property of

either thereof; or, in the absence of such application, consent or acquiescence, a trustee or receiver is appointed for Lessee or any such subsidiary, or for a substantial part of the property of any thereof, and is not discharged within 60 days; or any bankruptcy, reorganization, debt arrangement or other proceeding under any bankruptcy or insolvency law or any dissolution or liquidation proceeding is instituted by or against Lessee or any such subsidiary, and, if instituted against Lessee or any such subsidiary is consented to or acquiesced in by Lessee or any such subsidiary or remains for 60 days undismissed.

(v) a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of Lessee under this Lease Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(vi) any other proceedings shall be commenced by or against Lessee for any relief which includes, or might result in, any modification of the obligations of Lessee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of Lessee hereunder), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of Lessee under this Lease Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or

receiver or receivers appointed (whether or not subject to ratification) for Lessee or for the property of Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier.

When used herein, unless the context otherwise requires, the term "event of default" shall mean any event described in the foregoing clauses (i) through (vi) and the term "event which might mature into an event of default" shall mean any event which with the lapse of time, or with notice to Lessee and lapse of time, would constitute an event of default. Lessee shall give Lessor prompt notice of any event of default or of any event which might mature into an event of default.

(b) Upon the happening of an event of default, Lessor shall (except to the extent otherwise required by law) be entitled to:

(1) proceed by appropriate court action or actions to enforce performance by Lessee of the applicable covenants and terms of this Lease Agreement or to recover damages for the breach thereof;

(2) repossess any or all units of Equipment without prejudice to any remedy or claim hereinafter referred to;

(3) elect to sell any or all units of Equipment, after giving 30 days' notice to Lessee, at one or more public or private sales and recover from Lessee as liquidated damages for Lessee's default hereunder an amount equal to the amount, if any, by which (A) the sum of (i) the aggregate Stipulated Loss Value of such units of Equipment on the date such notice is given, (ii) all rent owing hereunder to and including the rent payment date immediately preceding the date such notice is given, (iii) all costs and expenses incurred in searching for, taking, removing, keeping, storing, repairing, restoring and selling such units of Equipment, (iv) all other amounts owing by Lessee hereunder, whether as additional rent, indemnification or otherwise, and (v) all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor as a result of Lessee's default hereunder, exceeds (B)

the amount received by Lessor upon such public or private sales of such units of Equipment;

(4) upon notice to Lessee receive prompt payment from Lessee of an amount equal to the aggregate Stipulated Loss Value on the date such notice is given of all units of Equipment which have not been sold by Lessor pursuant to clause (3) above plus, to the extent not otherwise recovered from Lessee pursuant to said clause (3) above, (i) any rent and other amounts owing hereunder to and including the rent payment date immediately preceding the date such notice is given, (ii) all costs and expenses incurred in searching for, taking, removing, keeping, storing, repairing and restoring such units of Equipment, and (iii) all other amounts owing by Lessee hereunder, whether as additional rent, indemnification or otherwise, and (iv) all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor as a result of Lessee's default hereunder; provided that upon receipt of payment in full of such amount, Lessor shall transfer to Lessee, without any representation or warranty of any kind, express or implied whatever title to such units of Equipment it may have;

(5) by notice to Lessee, declare this Lease Agreement terminated without prejudice to Lessor's rights in respect of obligations then accrued and remaining unsatisfied; or

(6) avail itself of any other remedy or remedies provided for by any statute or otherwise available at law, in equity, or in bankruptcy or insolvency proceedings.

The remedies herein set forth or referred to shall be cumulative. The references to additional rent in clauses (3) and (4) of this paragraph (b) shall each include, without limitation, interest at the applicable rate specified, in the first paragraph of Section 4, to the date of receipt by Lessor of the amount payable under said clause, on instalments of rent owing hereunder to and including the rent payment date immediately preceding the date on which notice is given under said clause, from the respective due dates of such instalments, and interest on all other costs, expenses and losses for which Lessor is entitled to payment under said clause from the respective dates incurred by Lessor.

#### 18. SUBLEASE, ASSIGNMENT, MERGER, ETC. BY LESSEE

(a) So long as Lessee shall not be in default under this Lease Agreement, Lessee shall be entitled to the possession and use of the units of Equipment in accordance with the terms of this Lease Agreement, but, without the prior written consent of Lessor, Lessee shall not assign, transfer or sublet its leasehold interest under this Lease Agreement in the units or any of them. Lessee shall not, without the prior written consent of Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the units, except to the extent permitted by the provisions of paragraph (b) below.

(b) So long as Lessee shall not be in default under this Lease Agreement, Lessee shall be entitled to the possession of the units and to the use thereof upon its lines of railroad or upon the lines of any affiliate or upon lines of railroad over which Lessee has trackage or other operating rights or over which railroad equipment of Lessee is regularly operated pursuant to contract, and also to permit the use of the units upon other railroads in the usual interchange of traffic, if customary at the time, but only upon and subject to all the terms and conditions of this Lease Agreement. Lessee may receive and retain compensation for such use from other railroads so using any of the Cars. Lessee agrees that during the term of this Lease Agreement Lessee will use its best efforts to prevent the use of any Car outside the United States of America. No assignment, sublease or interchange entered into by Lessee hereunder shall relieve Lessee of any liability or obligations hereunder which shall be and remain those of a principal and not a surety.

(c) Nothing in this Section 18 shall be deemed to restrict the right of Lessee to assign or transfer its leasehold interest under this Lease Agreement in the Equipment or possession of the Equipment to any corporation (which shall have expressly assumed in writing the due and punctual payment and performance of all obligations hereunder of Lessee) into or with which Lessee shall have become merged or consolidated or which shall have acquired the property of Lessee as an entirety or substantially as an entirety.

#### 19. ASSIGNMENT BY LESSOR

Lessor and any direct or remote assignee of any right, title or interest of Lessor hereunder shall have the

right at any time or from time to time to assign part or all of its right, title and interest in and to this Lease Agreement. Without limiting the foregoing, Lessor and any such assignee shall have the right at any time or from time to time to transfer its right title and interest, subject to Lessee's rights under this Lease Agreement and subject to the provisions of Section 14(d)(iii), in and to any unit or units of Equipment.

Lessor may obtain financing through a financial institution and secure such financial institution ("Secured Party") by granting a security interest or other lien on any or all of the Equipment, this Lease Agreement and sums due under this Lease Agreement. In such event (a) the security agreement or lien instrument will specifically provide that it is subject to Lessee's rights as herein provided; (b) such assignment of this Lease Agreement will not relieve Lessor from its obligations hereunder or be construed to be an assumption by Secured Party of such obligations (but Secured Party may perform, at its option, some or all of Lessor's obligations); (c) upon request by Secured Party, Lessee will make all payments of rental and other amounts due hereunder directly to Secured Party; (d) Lessee's obligations hereunder, including (without limitation) its obligation to pay rent and other amounts due hereunder, shall not be subject to any reduction, abatement, defense, set-off, counterclaim or recoupment for any reason whatsoever, which, however, shall not prevent Lessee from asserting any claim separately against Lessor; and (e) Lessee will not, after obtaining knowledge of any such assignment, consent to any modification of this Lease Agreement without the consent of Secured Party.

## 20. LESSOR'S RIGHT TO PERFORM

If Lessee fails to make any payments required by this Lease Agreement, or to perform any of its other agreements contained herein, Lessor may itself, but shall not be required to, make any such payments or perform any such obligations. The amount of any such payment and Lessor's expenses, including (without limitation) reasonable legal fees and expenses in connection therewith and with such performance, shall thereupon be and become payable by Lessee to Lessor upon demand as additional rent hereunder.

## 21. RECORDING; FURTHER ASSURANCES

Lessee will, at its expense, cause this Lease Agreement and any assignment hereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act prior to the delivery and acceptance hereunder of any unit of Equipment. Lessee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by Lessor for the purpose of proper protection, to Lessor's satisfaction, of Lessor's interest in the units, or for the purpose of carrying out the intention of this Lease Agreement or the assignment thereof by Lessor; and Lessee will promptly furnish to Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for Lessee with respect thereto satisfactory to Lessor.

## 22. PURCHASE OPTION

Lessee shall have an option (the "Purchase Option") to purchase for cash all of the Cars then under lease upon the last business day of or prior to the expiration of the lease term hereunder for such units of Equipment provided no event of default or event which might mature into an event of default has occurred and is then continuing hereunder. If Lessee desires to exercise the Purchase Option, it shall give to Lessor written notice of its election to purchase at least 90 days (and not more than 180 days) before the expiration of the lease term for such units of Equipment, stating Lessee's opinion as to the fair market value of the Equipment to be purchased, and upon expiration of such lease term, Lessee shall purchase such Equipment and shall pay to Lessor in immediately available funds the purchase price for such Equipment, determined as hereinafter provided. The purchase price of the Equipment shall be the fair market value thereof as of the date of purchase. If Lessee and Lessor are unable to agree upon the fair market value of the Equipment within 30 days after receipt by Lessor of such notice, such fair market value shall be determined by an independent appraiser selected by mutual agreement of Lessor and Lessee. The fee of such appraiser shall be paid by Lessee. Upon payment by Lessee to Lessor of the purchase price for the Equipment at such expiration, and upon payment by Lessee of all rent and any

other amounts owing to Lessor under this Lease Agreement, Lessor shall transfer to Lessee, and warranty the same title to such Equipment as was originally conveyed to Lessor.

### 23. RENEWAL OPTION

Lessee shall have an option to renew for a maximum of two (2) 2-year periods the lease term of all of the Cars then under lease provided no event of default or event which might mature into an event of default has occurred and is then continuing immediately prior to the commencement of the renewal term then being elected by Lessee. If Lessee desires to exercise such option to renew, it shall give Lessor written notice of its election to renew at least 90 days (and not more than 180 days) prior to the commencement of the renewal term then being elected stating Lessee's opinion as to the fair market rental value for the Equipment to be leased during such renewal term, and upon the expiration of the then current term the lease of such Equipment shall be renewed for such renewal term at the fair market rental value as hereinafter provided. A determination shall be made of the fair market rental value of the Equipment as of the date of the expiration of such current term. If Lessee and Lessor are unable to agree upon such fair market rental value within 30 days after receipt by Lessor of such notice, such fair market rental value shall be determined by an independent appraiser selected by mutual agreement of Lessor and Lessee. The fee of such appraiser shall be paid by Lessee. All of the provisions of the Lease shall be applicable during any such renewal term except for the amount of each instalment of rent which shall be as hereinafter provided. "Lease term" as used in the Lease shall, except where the context otherwise requires, be deemed to include any such renewal term.

### 24. CERTAIN DEFINITIONS

When used herein, the term "subsidiary" shall mean a corporation of which Lessee or its other subsidiaries own, directly or indirectly, such number of outstanding shares as have the power (disregarding any voting power, solely by reason of the happening of any default, of shares of any class) to elect a majority of the board of directors. When used herein, the term "material subsidiary" shall mean any subsidiary having a net worth of at least \$15,000,000.

## 25. CONDITIONS TO LESSOR'S OBLIGATIONS

(a) Lessor shall not be obligated hereunder unless on or before, but no more than 10 days before, the first delivery date (the "First Delivery Date") of Cars for rehabilitation pursuant to the Rehabilitation Agreement:

(i) all of Lessee's representations and warranties in Section 8 of this Lease Agreement shall be true and correct as though made as of such date;

(ii) no litigation or governmental proceedings shall be threatened or pending against Lessee or any subsidiary which in Lessor's reasonable opinion will to a material extent adversely affect the financial condition or continued operation of Lessee and its subsidiaries on a consolidated basis;

(iv) Lessee shall have furnished to Lessor, in form and substance satisfactory to Lessor, the following on or prior to such date hereunder:

(B) a favorable opinion of counsel for Lessee, acceptable to Lessor, dated such date to the effect that:

(1) Lessee is a corporation duly organized and existing in good standing under the laws of the State of Delaware;

(2) Lessee is duly authorized to execute and deliver the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement, and is duly authorized to lease Equipment hereunder and to perform its obligations hereunder and thereunder;

(3) the execution and delivery of the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement by Lessee, and the performance by Lessee of its obligations hereunder and thereunder, do not and will not conflict with any provision of law or of the charter or by-laws of Lessee or of any indenture, mortgage, deed of trust or agreement or instrument binding upon Lessee or to which Lessee is a party;

(4) the execution, delivery and performance of the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement by Lessee and the consummation by Lessee of the transaction contemplated hereby and thereby does not require the consent, approval or authorization of, or notice to, any Federal or state governmental authority or public regulatory body;

(5) the Hulk Purchase Agreement, the Bills of Sale and this Lease Agreement are legal, valid and binding obligations of Lessee enforceable in accordance with their respective terms (except as may be affected by bankruptcy, reorganization, insolvency and similar laws affecting the rights of creditors generally);

(6) there are to the knowledge of such counsel no pending or threatened actions or proceedings before any court or administrative agency which will, in the opinion of such counsel, to a material extent adversely affect the financial condition or continued operation of Lessee and its subsidiaries on a consolidated basis;

(7) this Lease Agreement has been duly filed and recorded with the ICC pursuant to Section 20c of the Interstate Commerce Act, such filing and recording will protect Lessor's interests in and to the units of Equipment, and no further filing or recording (or giving of notice) with any other Federal, state or local government is necessary in order to protect the interests of Lessor in and to the units;

(C) an appraisal certificate (required with the first payment requested hereunder for Cars) issued by Alexander Kerr, an independent appraiser, to the effect that (I) the fair market value of the reusable component parts included in the used cars purchased by Lessor from Lessee under the Hulk Purchase Agreement was not and is not in excess of the Cars Acquisition Cost for such cars (set forth in Section 2(a) herein), (II) the fair market value of the Cars upon completion of their rehabilitation under the Rehabilitation Agreement is at least equal to the Total Cost thereof set forth in Exhibit A hereto, (III) the units of Equipment on the date of delivery thereof to Lessor upon completion of their rehabilitation under the Rehabilitation Agreement will have an estimated useful life beyond the expiration of the original term of lease for such units under this Lease Agreement equal to at least 25% of such original term, and an estimated fair market value at the end of such term of at least 20% of the Cost of such units, without including in such fair market value any increase or decrease for inflation or deflation during such term of the Lease, and (IV) setting forth the manner in which such fair market value and useful life were determined; and

(b) As a further condition to Lessor's obligation hereunder, Lessee shall have furnished to Lessor, in form and substance satisfactory to Lessor, the following on or prior to the date of each requested payment pursuant to Section 5 hereof:

(i) an invoice covering the units of Equipment for which such payment is requested;

(ii) a Certificate of Acceptance signed by an officer of Lessee (as the authorized representative of Lessor hereunder and under the Hulk Purchase Agreement and the Rehabilitation Agreement) confirming delivery to, and acceptance by, Lessor of the units of Equipment for which such payment is requested;

(iii) a Certificate of Acceptance of Lessee covering the units of Equipment for which such payment is requested;

(iv) an opinion of Lessee's counsel, satisfactory to Lessor, that acceptance by Lessor of the units of Equipment for which such payment is requested and payment therefor by Lessor shall be effective to transfer to Lessor good title to such units of Equipment, free of all claims, liens or encumbrances of any nature; and

(v) such other releases, financing statements, waivers and other documents as Lessor may reasonably request to insure that the Equipment will not be subject to any lien, charge, encumbrance, security interest or other similar interest.

## 26. MISCELLANEOUS

(a) Any provision in this Lease Agreement that Lessee shall take any action shall require Lessee to do so at its sole cost and expense.

(b) Any notice hereunder shall be in writing and, if mailed, shall be deemed to be given when sent by registered or certified mail, postage prepaid, and addressed: (i) if to Lessee, at its address shown below, (ii) if to Lessor, at 79 South Main Street, Salt Lake City, Utah 84111, attention of Corporate Trust Division, with a copy to Itel Capital Services Corporation, One Embarcadero Center, San Francisco, California, 94111, attention of Contract Administration, or (iii) to any party at such other address as it may, by written notice received by the others, designate as its address for purposes of notice hereunder.

(c) If this Lease Agreement or any provision hereof shall be deemed invalid, illegal, or unenforceable in any respect or in any jurisdiction, the validity, legality and enforceability of this Lease Agreement in other respects and other jurisdictions shall not be in any way impaired or affected thereby. Each of the parties hereto acknowledges that the other party shall not by act, delay, omission or otherwise be deemed to have waived any of its rights or remedies under this Lease Agreement unless such waiver is in writing, and such writing shall be binding only to the extent therein provided and only upon the party signing it. A waiver on any one occasion shall not be construed as a waiver on any future occasion. Without limiting the foregoing, Lessor's rights and Lessee's duties shall in no way be

affected by Lessor's inspection of, or failure to inspect, the Equipment or any of the documents referred to in this Lease Agreement or by Lessor's failure to inform Lessee of any failure to comply with any of Lessee's obligations under this Lease Agreement. Lessee hereby waives any right to assert that Lessor cannot enforce this Lease Agreement or that this Lease Agreement is invalid because of any failure of Lessor to qualify to do business in any jurisdiction. This Lease Agreement has been delivered for acceptance by Lessee in Chicago, Illinois, shall be governed by the laws of the State of Illinois, shall be binding upon Lessor and Lessee and their respective successors and assigns, and shall inure to the benefit of Lessor and Lessee and the successors and assigns of Lessor.

(e) Whenever the term "Lessor" is used in this Lease it shall mean First Security Bank of Utah, National Association not in its individual capacity but solely as trustee, any assignee, in whole or in part, of the rights of the Lessor hereunder, including any Secured Party, and, as appropriate, the Owners.

(f) No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

It is expressly understood and agreed by and between the parties hereto, anything in this Agreement to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by First Security Bank of Utah, National Association or for the purpose or with the intention of binding the said bank personally but are made and intended

for the purpose of binding only the Trust Estates as such term is used in the Trust Agreement, and this Agreement is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the said bank (except for the willful misconduct or gross negligence of said bank) or on account of any representation, undertaking or agreement of the Lessor or the Owners, either expressed or implied, all such personal liability, if any being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee; provided, however, that the Lessee or any person claiming by, through or under the Lessee, making claim hereunder, may look to said Trust Estates for satisfaction of the same.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed and their corporate seals to be affixed hereto all as of the date first above written.
